<input type="checkbox"/> Secondary and Micros: sulfur (S), zinc (Zn), manganese (Mn), iron (Fe), and copper (Cu). †
<input type="checkbox"/> Soluble Salts
<input type="checkbox"/> Physical Analysis (USDA % Sand, Silt, Clay)
<input type="checkbox"/> Other

†No fertilizer recommendations given for secondary and micronutrients.

All nutrients are extracted by Mehlich-3

Please provide 2 cups of soil

Instructions for Submitting Samples:

Customer Information - Please print your **name** and complete **address** in the space provided. Fill in the **county** from which the sample was taken. *(This is **required** for us to be able to provide you with recommendations.)*

Payment Information - Enter the **amount** paid and indicate the **method** of payment (cash, check number, credit card information) OR enter the laboratory account ID. **Make checks payable to: UW Soil Testing Lab.** If you would like to have your results emailed to you, please provide your email address in the space provided.

Required Sample Size - 2 cups.

Sample Description - Please **number** all samples consecutively. **Choose** the appropriate Turf Category from the listing that BEST describes the area in which the sample was taken (i.e. GC3 for a fairway). Provide a **description** of your sample or the area in which the sample was taken. *(This is so you are able to identify which sample corresponds to the area in which your sample was taken on the report we send to you. This is particularly important if several samples are submitted at the same time).*

Submitting Samples – You may send your sample by U.S. Postal Service, UPS, Fed Ex, SpeeDee, or other delivery system. You may also drop off your sample off at the address listed below. Please be sure to include this sheet.
